

A screenshot of the Windows 10 taskbar. On the left is the Start button (Windows logo). Next to it is the search bar with the placeholder text "Pesquisar". To the right of the search bar are several pinned application icons: Microsoft Edge, Google Chrome, Mozilla Firefox, Steam, OneDrive, Outlook, File Explorer, and the Cortana voice assistant icon. Further right are system tray icons for UV (University of Victoria), network status, volume, and battery level. The clock shows the time as 13:38 on 06/08/2026, with the location set to POR PTB2.
